Open Enrollment Space Limitations

The Board of Education hereby enacts the following Open Enrollment Space Limitations for the 2019-2020 school year:

- Nondisabled students: unlimited enrollment
- Students with disabilities:
 - No student requiring any related services aside from Speech and Language will be accepted.
 - We will accept students with disabilities in grades 7-8 up to service level maximums as determined by the district. No students from other grade levels will be accepted.
 - Services are limited to existing special education programs--new programs will not be created to meet nonresident student needs.
 - The School District of Thorp may also use additional criteria when making a determination of whether additional space is available based upon the services required in a non-resident student's IEP, including:
 - class size limits or pupil-teacher ratio
 - staffing capacity limit including service minutes, days, type of service required to meet the students need such as:
 - special education teacher, pupil service staff, related service and paraprofessionals, projected pupil enrollment and changes in services in pupil's IEP
 - Speech and Language determinations based on space
