

Thorp FFA Scholarship Opportunity, presented by Swiderski Equipment Inc.

Swiderski Equipment Inc is proud to offer up to 2 - \$500 scholarships to eligible Thorp graduating seniors. Applicants must be a member of FFA and plan to pursue higher education at an accredited educational institution. Preference will be given to students pursuing an agriculture related degree, though that is not required.

To apply for the scholarship, please provide the following materials:

- Resume
- Letter of Recommendation
- Essay on your future plans, including education plans and career goals

Applications are due by May 1, 2024.

Scholarships will be presented at the FFA Banquet. Winners will be notified prior to the banquet. The scholarship will be awarded after the first semester of college is successfully completed with passing grades. An official transcript must be submitted to Swiderski Equipment in order to receive scholarship money. Winner must be re-enrolled in the same major/program of study.
