Dear Parent or Guardian:

Federal law requires that we share the qualifications of teachers in the School District of Thorp. There are questions you may ask, including:

- Is my child's teacher licensed to teach the grades or subjects assigned?
- Has the state waived any requirements for my child's teacher?
- What was the college major of my child's teacher?
- What degrees does my child's teacher hold?
- Are there instructional aides working with my child? If so, what are their qualifications?

All teachers in the School District of Thorp have at least a bachelor's degree, and many have advanced degrees. In addition all of the teachers in the School District of Thorp are fully licensed for their assignment. If you want to see the state qualification for your child's teacher you may ask us or find it on the DPI website at [www.dpi.state.wi.us/dpi/dlsis/tel/lisearch.html](http://www.dpi.state.wi.us/dpi/dlsis/tel/lisearch.html) .

In addition, we have 12 instructional aides, and they all are considered highly qualified for this work. If you would like more information about the School District of Thorp, please feel free to call me at 715-669-5401.

Sincerely,

John Humphries

District Administrator
